THE SMART WAY OF LIFE...

Smart Shops have been established to ensure that students can get the best value study tools available. Our only market is in tertiary education — smart people in need of smart technology. Whether you're word processing, spreadsheeting, programming or using graphics, smart technology gives you the study edge.

SMART TECHNOLOGY...

For experienced users, we aim to provide quality equipment and after sales service in a convenient location at excellent prices.

For the less experienced, we help define your needs, eliminate the jargon and mystery from the process and provide a technological solution to a lifestyle problem — how to work smarter not harder.

- ◆ Convenient campus locations
- ◆ High quality equipment from leading manufacturers selected according to quality, readiness of supply, ease of maintenance, value for money and Australian content.
- ◆ A wide range of hardware, software, printers and all essential peripherals.

SMART VALUE...

- ◆ **Educational Prices** — only available to you as Smart Shop customers.
- ◆ **Student Owned** — Smart Shops are a joint venture involving Student Services Australia. The Smart Shop gives great value because its aim is for student benefit not profit.
- ◆ **National Chain** — The Smart Shop is a national chain backed with a buying power of over \$30 million.

EXCEPTIONAL SERVICE...

- ✓ Nationwide through all Smart Shops.
- ✓ Home installation for inexperienced customers.
- ✓ Professional training programs available.
- ✓ Minimum 12-month warranty on all our equipment.

WHAT THIS MEANS TO YOU...

A combination of service, technology and value to provide you with a truly individual approach to your study needs.
